Re: Disputed Campaign Contribution

I would like to dispute a federal campaign contribution that is reflected on the Federal Election Commission website.

1. Political contribution reflected by Image number 201701279041519529 dated April 13, 2016. A copy is attached.
2. Political contribution reflected by Image number 201607139020436454 dated April 13, 2016. A copy is attached.

I never wrote a check to the Paul Ryan Campaign or his Committee nor was I solicited as a donor or filled out any campaign paperwork.

I attended a business luncheon with the Speaker of the House, Paul Ryan, in our community and paid the host of the function for a sponsorship of the community event. I have attached a copy of the check for this event.

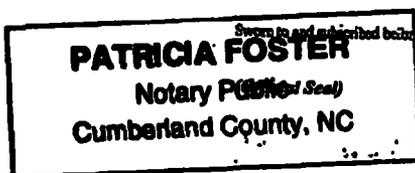

I ask for the removal of these donations on any and all campaign finance reports.

Sincerely,

Kirk deViere
